## South Africa outdoor power box manufacturer

What are outdoor electrical enclosure boxes?

Outdoor electrical enclosure boxes are manufactured with only one aim in mind and that is to protect all electrical connections, motors and control boxes that are installed either outdoors or indoors, depending on the need. Depending on the area needed for use of the electrical enclosure, the two products will differ slightly in its design.

Who is polybox?

At Polybox, we provide innovative and durable enclosures that are built to the highest industry standards, ensuring that you get a reliable solution for your projects needs. Based in Cape Town, South Africa, Polybox has a very simple mission to design and manufacture high-quality electrical enclosures that withstand the toughest elements.

Can ATI Systems customize an outdoor electrical enclosure box?

ATI Systems is able to customize any indoor or outdoor electrical enclosure box to meet your specific needs in terms of shape, size, colour, finish and budget. Phone them on (011) 383-8300 or ask for an outdoor electrical enclosure quote. Contact ATI Systems, a supplier of Outdoor Electrical Enclosure Boxes in South Africa.

What colour is an outdoor electrical enclosure box?

The standard colour for an outdoor electrical enclosure box is usually the brown or sandy colour of the fibreglass, as this will most likely blend in with the outdoor theme.
